ORDER

The Tamil Nadu Transport Department Staff Association has represented that at present there are 38 posts of Regional Transport Officers inclusive of Assistant Secretary State transport Appellate Tribunal and Departmental Representative in the transport Department. To fill up these posts. the ratio of 1:4 from among Ministerial and technical staff is now applied. When the persons from the Ministerial staff become Regional Transport Officers, they are too old and they retire very soon. Hence, those vacancies are also occupied by the promotes from the technical staff, so, at a given time, the number of Ministerial regional transport Officers and technical Regional Transport Officers are not in the ratio of 1:4 though the ratio is applied for promotion. To set right this imbalance, the Association has requested, the Government to consider promotion among the Ministerial staff of this Department and take necessary steps to maintain the ratio of 1:4 among the total number of posts available.

2.The Transport Commissioner in the letters read above opened that the total number of posts in the category of personal Assistant to State Transport Authority / Deputy Transport commissioner/Regional transport officer is 36 Considering these figures, the request of the Ministerial staff Association that 1/5th of the posts should be reserved for the category by compartmentalization is quite justified. He has, therefore, recommended that 1/5th of the posts in category 2 excluding the posts of Assistant Engineer may be reserved for persons promoted from the Ministerial staff.

3. The Government after careful and independent examination of the views of the Transport Commissioner at all times have decided to earmark and fifth of the posts / in category 2 excluding 3 posts of Assistant engineer (Motor Vehicles) for appointment from among Personal assistant, Accordingly Government direct that one fifth of the posts in Category 2 excluding 3 posts of Assistant Engineer (Motor Vehicles) be earmarked for appointment from among personal Assistant.

4. The transport Commissioner is requested to sent necessary draft amendments to the Special Rules for the Tamilnadu Transport Service based on the orders at para 3 above.
