O R D E R

At Present, the tax due in respect of all the transport vehicles is paid by means of crossed bank drafts drawn in favour of the regional Transport Officers and Presented with the Pay-in-slip at the Motor Vehicles Inspector's Unit Office in whose jurisdiction the permit holder resides or has his place of business. The motor Vehicles Inspectors, after entering the particulars of draft names of bank etc., transmit the drafts daily through special messenger to the Regional Transport Office for being credited to Government account in the Stage Bank of India at the head. The Tamil Nadu Motor Vehicles Inspectors (Technical) Association at its meeting on 17.9.78 resolved that payment of motor vehicles tax may be made for transport vehicles by means of bank drafts drawn in favour of the Motor Vehicles Inspect a instead of drawing them in the name of the Regional Transport Officers. The Transport commissioner has stated that the existing procedure involves available delay and multiplication of scriptory work besides entailing traveling allowance of the staff deputed from each unit office to the Regional Transport Office for the purpose of transmitting the drafts, and that the suggestion will help in decentralizing this item of work at the level of unit offices and can be agreed to in the interest of both the department and the permit-holders, paying tax. The Director of treasuries and Accounts has stated that the suggestion of the Transport Commissioner may be accepted.

The Motor Vehicle Inspectors, Grade-I, who are to be authorized to receive Government Money in their name should follow the procedure details in Subsidiary Rules and instructions under TR 10 of the Tamil Nadu Treasury Code, Volume-I in accepting the money, bringing it to the departmental accounts and in remitting it into Government account as detailed below:-

The Motor Vehicles inspectors, Grade-I, who receives the Government money by means of Demand Draft should bring it to account in a "cash book" in "Form 5" as "receipts" and attested in taken of having verified. They should keep a watch for the bank receipt on the challans, compare it with the entry in the cash remittance book and attest the entries in taken of having satisfied himself that the amount has been actually credited to the Government account by the bank. While sending the demand drafts to the bank for realization, they should make necessary entries in the cash book as "Disbursements" of the original challans received by them, watch the receipt of the triplicate copies of challans from the Treasury-Sub-Treasury for a reasonable time and call for the wanting challans, wherever necessary for reconciliation purposes and that these registers should be subject to periodical inspection by the Accounts Officers.
